## Education at the IMA

As Queensland's leading independent contemporary art space, the Institute of Modern Art (IMA) is committed to providing learning opportunities that ignite curiosity and champion contemporary art.

We work closely with artists to commission and present ground-breaking exhibitions, providing education audiences with accessible and authentic arts experiences that offer insights to ideas, artforms, and processes.

The IMA is a place where your students can experience "making together" with professional artists and arts workers. Entry to the IMA is always free.

## Exhibition Tours

Book an exhibition tour facilitated by our professional staff to enhance learning outcomes. Let us know how we can make your visit to the IMA special by customising your experience to suit the group's needs or a specific curriculum focus.
